Brandenburg[®]
Industrial Service Company

Your number one source for demolition, remediation, and site preparation.

Brandenburg is the premier provider of turnkey demolition, decommissioning, and environmental remediation services for the mining industry.

We specialize in the demolition of large heavy-steel structures and have been the preferred provider of these services throughout the United States. These include the 7000-acre BHP Copper Mine in San Manuel,

Arizona, five ASARCO Arizona mines, the 600-acre U.S. Steel Southworks plant in Chicago, and Bethlehem Steel's 1800-acre main plant in Bethlehem, Pennsylvania, one of the nation's largest Brownfield sites.

Our state-of-the-art equipment includes 50 gondola railroad cars designed and fabricated by Brandenburg.

These cars are specially designed to transport valuable scrap metal from remote areas to competitive markets.

Brandenburg's dedication to safety is unparalleled. We are the first demolition contractor to successfully complete OSHA's Challenge Program and the first to become members of the International Society of Mine Safety Professionals.

All Brandenburg employees receive OSHA and/or MSHA Part 48 training. Our Worker's Compensation Experience Modification is an extremely low 0.59.

Brandenburg is committed to providing a safe work environment for our employees and our customers.
